Re: Manoucheka Francois v. Metro-North Railroad
File No.: 20-CV-4439 (ALC) (KHP)

Dear Honorable Magistrate Judge Parker:

This letter is in response to the Court's directive scheduling an Initial Case Management Conference on August 19, 2020. This is the first time that parties are seeking an adjournment of a conference in this matter.

Both parties sincerely request an adjournment of the August 19, 2020 conference to another mutually convenient date for both parties due to the fact that the Defendant has recently commenced a Third-Party action against Hudson Valley Transportation and Michael T. Cellante. Defendant has properly served both Hudson Valley Transportation and Michael T. Cellante with the Third-Party Complaint. However, neither parties have yet to appear in the action and file their complaints. It will be beneficial for both parties and the Court to adjourn the conference for at least forty-five days providing the Third-Party Defendants sufficient time to appear in this action.

Parties have communicated with each other and request this Court to adjourn the conference to either September 28 or 30, 2020. We look forward to hearing from the Court concerning this request.

Both parties thank you for your courtesies in this matter.

Yours truly,

Alan Muraidekh
